Joyeux Carnaval! Thank you for entering Sandy Hill's Ice Sculpture contest. Using sugar cubes, white plasticine, marshmallows, cake and icing, or any other creative medium, your task will be to create a fabulous ice sculpture. For ideas, you might google Carnaval de Quebec, sculpture de glace. Please bring your sculpture to the foyer by Tuesday, February 10 in the morning. All entries will receive a treat and there will be several prizes for the sculptures that most impress our judges! Sculptures will be taken home on February 13.
